To Whom It May Concern

We are a Hamburg based Owners' Management company presently controlling 5 LPG tanker vessels and on many instances over the last years we have co-operated with ATTIKI INDUSTRIALSERVICE GmbH and/or their subsidiary Cyprus based CP COSMOS Ltd. and always with excellent results.

The team of ATTIKI and of CP COSMOS, under the leadership of Mr. Chousein Kechagia, are handling all matters with great professionalism and provide solutions also when facing technically difficult issues.

We can recommend their services without any reservations.

Mit freundlichen Grüßen
